## **Liberty National Corporation and founder donate \$10,000 to Cal Coast Cares Foundation**

Residential developer Liberty National Corporation and its founder, Mark Schmidt, have donated \$10,000 to Cal Coast Cares Foundation. Established by California Coast Credit Union as a separate nonprofit, the foundation supports educational initiatives across San Diego and Riverside Counties. Founded in 2015, Cal Coast Cares Foundation provides grants for teachers and scholarships for college-bound high school seniors in San Diego and Riverside Counties. The organization also offers a special program for current or former foster applicants, including fast-tracking first-year recipients to allow them to easily qualify for a second-year scholarship. The foundation's grants to teachers are provided for project in the STREAM (Science, Technology, Reading, Arts, and Math) topics.
